Lithuania

Explore marvelous Unesco World Heritage sites

Discover Vilnius - one of the most photogenic cities in Europe

A photograph of two young girls with blonde hair sitting on a wooden park bench. They are wearing grey coats and smiling at the camera. The background is a park with trees showing vibrant autumn foliage in shades of yellow and orange. A paved path leads into the distance, and a modern sculpture is visible in the background. The scene is bathed in warm, golden light, suggesting late afternoon or early morning.
